Summary

Passionate and self-motivated frontend developer with two years of experience learning and applying web development skills through various online resources. Proficient in HTML, CSS, JavaScript, Bootstrap, and React.js. Demonstrated ability to create responsive, user-friendly websites and applications. Strong problem-solving skills with a continuous drive to stay updated with the latest industry trends and technologies. Seeking an internship to further develop my skills and contribute to a dynamic development team.

Education

WEB DEVELOPMENT

Saylani Mass Training Program(SMIT)
(2023-2024)

WEB DEVELOPMENT

Self-taught through online resources and tutorials
(2022-2023)

MSC CHEMISTRY

Government College Women University Faisalabad
(2017-2019)
